# NOT ONLY A GOOD TIME . . .

1 - Members of the Flight One Air Force Band, out of Wright-Patterson Air Force Base, get a kick out of performing at CCHS. The band performs about 280 days out of the year during which they do about 700 concerts.

2 - These students seem to be laughing and smiling at nothing but thin air. In truth, they are merely getting their laughs from viewing the performance of the Flight One Air Force Band. The students in the upper right, obviously feeling more outgoing than their fellow students, danced and swayed in time to the music for the entire performance.

3 - Sleeping students? Of course not! This is just a class of freshmen examining the library's extensive collection of Reader's Guides. Every year Mrs. Johnson assigns the class a report which they must complete by using materials from the library.

# BUT THE BEST TIME

3

1 - Grimacing at the thought of touching the heated metal of the baking pan, Scott Burgin psychologically prepares himself to do that awe-inspiring feat. Every year the choir students and parents host a spectacular event known world wide as the Spaghetti Supper. Anticipation is heightened daily with original announcements over the PA system every morning.

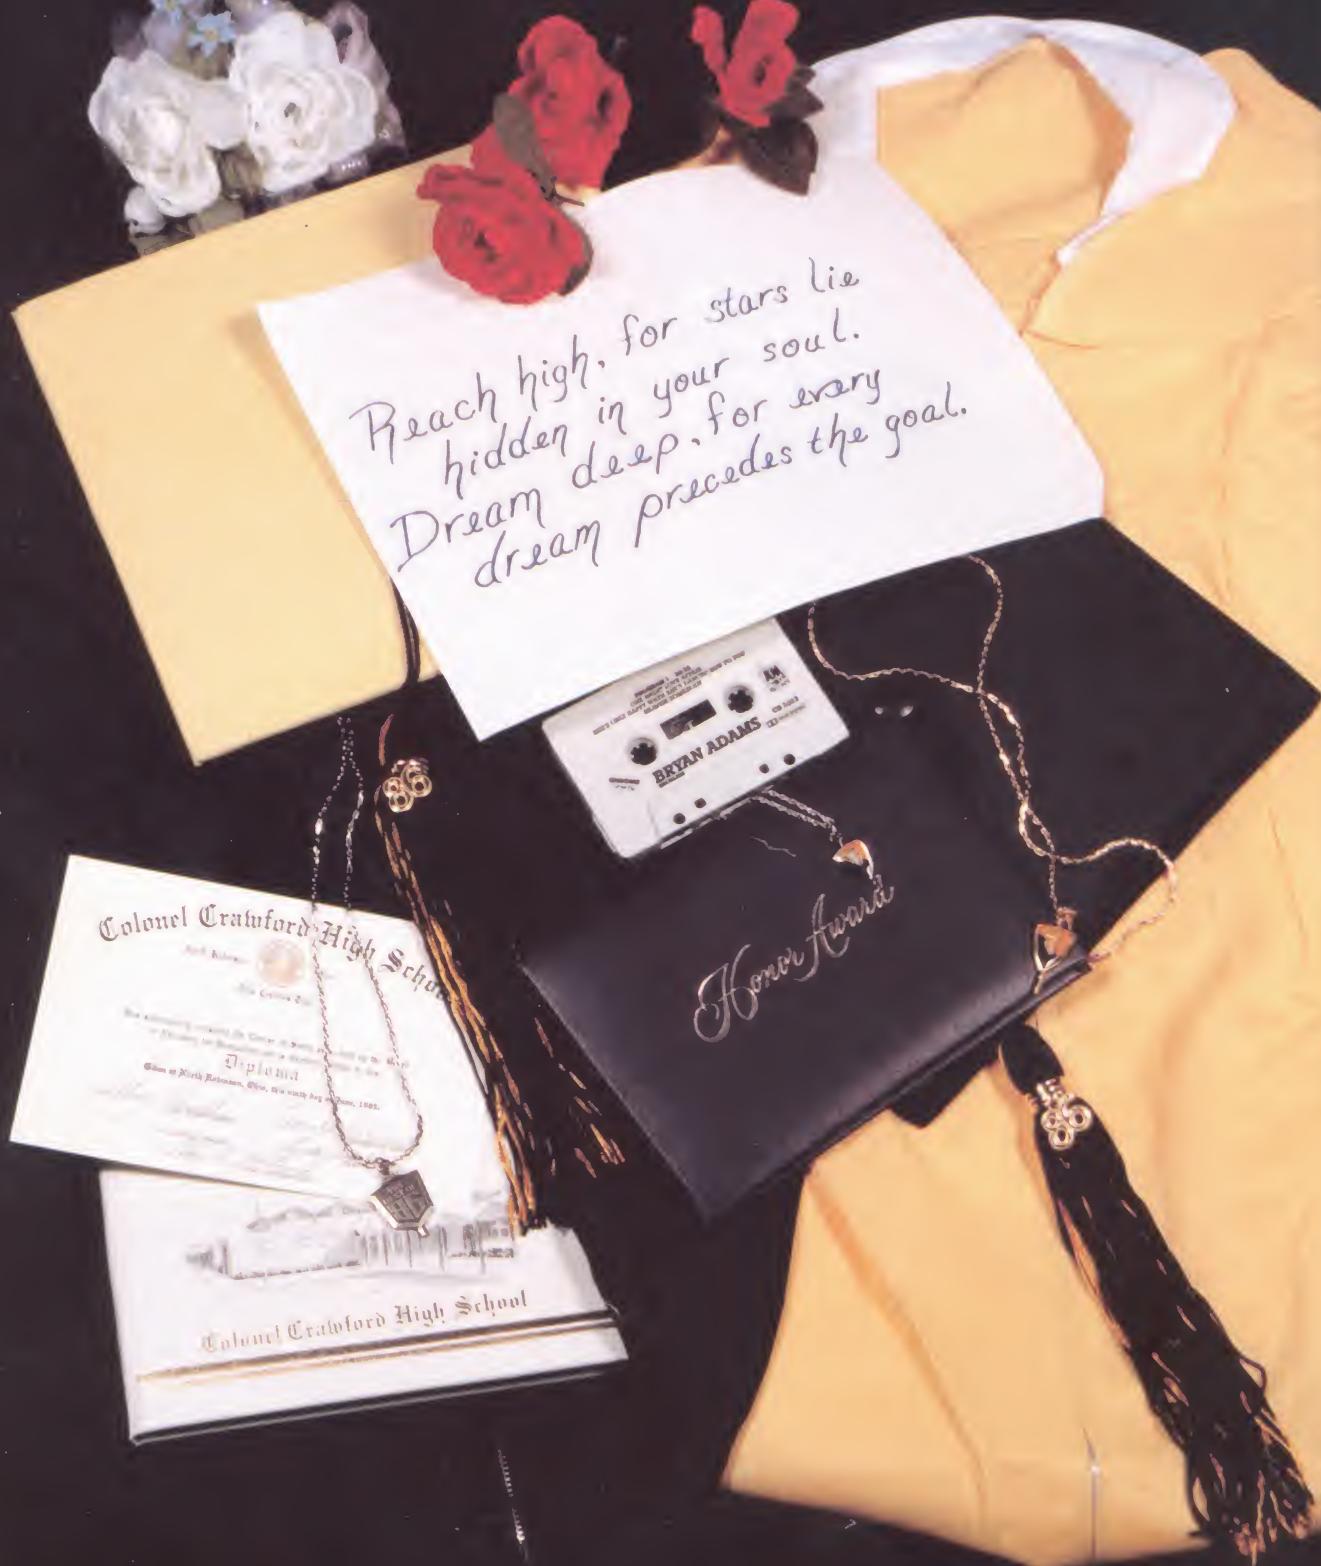

2

2 - Cross Country coach Neil Jarvis got a lot of practice for his first aid merit badge during the cross country season. Today's lesson was wrapping the girls' legs. His patient patients are Tracie Escue, Cindy Britton, Ginny Ebner, Shannon Steiner, and Jannette Link.

3 - Brian Mollencopf and Dennis Talbott actually seem to be enjoying their studying in this 5th period study hall in the cafeteria. The cafeteria has been used as a study hall by many who find its calm and quiet atmosphere a perfect place for studying.

Reach high, for stars lie  
hidden in your soul.  
Dream deep, for every  
dream precedes the goal.

1 - Colonel Crawford has a total of three foreign exchange students. Two of them are Ryoko Itsutsuji and Elizabete Shiraga. Ryoko is from Japan while Elizabete came to us from Brazil. While she was here Elizabete found her favorite class to be Advanced Algebra with Mr. Parlette and her most memorable moment was the Christmas Party in that class. Ryoko's favorite class at Colonel Crawford is Home Economics. She says the thing she will miss most about America is the same thing she misses about her own country—her friends.

5 - Cindy Lambert, a Colonel Crawford student at Pioneer, was chosen the 1985 Bratwurst Festival Queen. The categories she was judged on were charm, personality and poise, ability to answer fishbowl questions, grace, and modeling street and German dresses. Cindy felt the most exciting part about being Bratwurst Queen was the crowning ceremonies. She now spends the year representing the Bratwurst Festival at the numerous other festivals across the state.

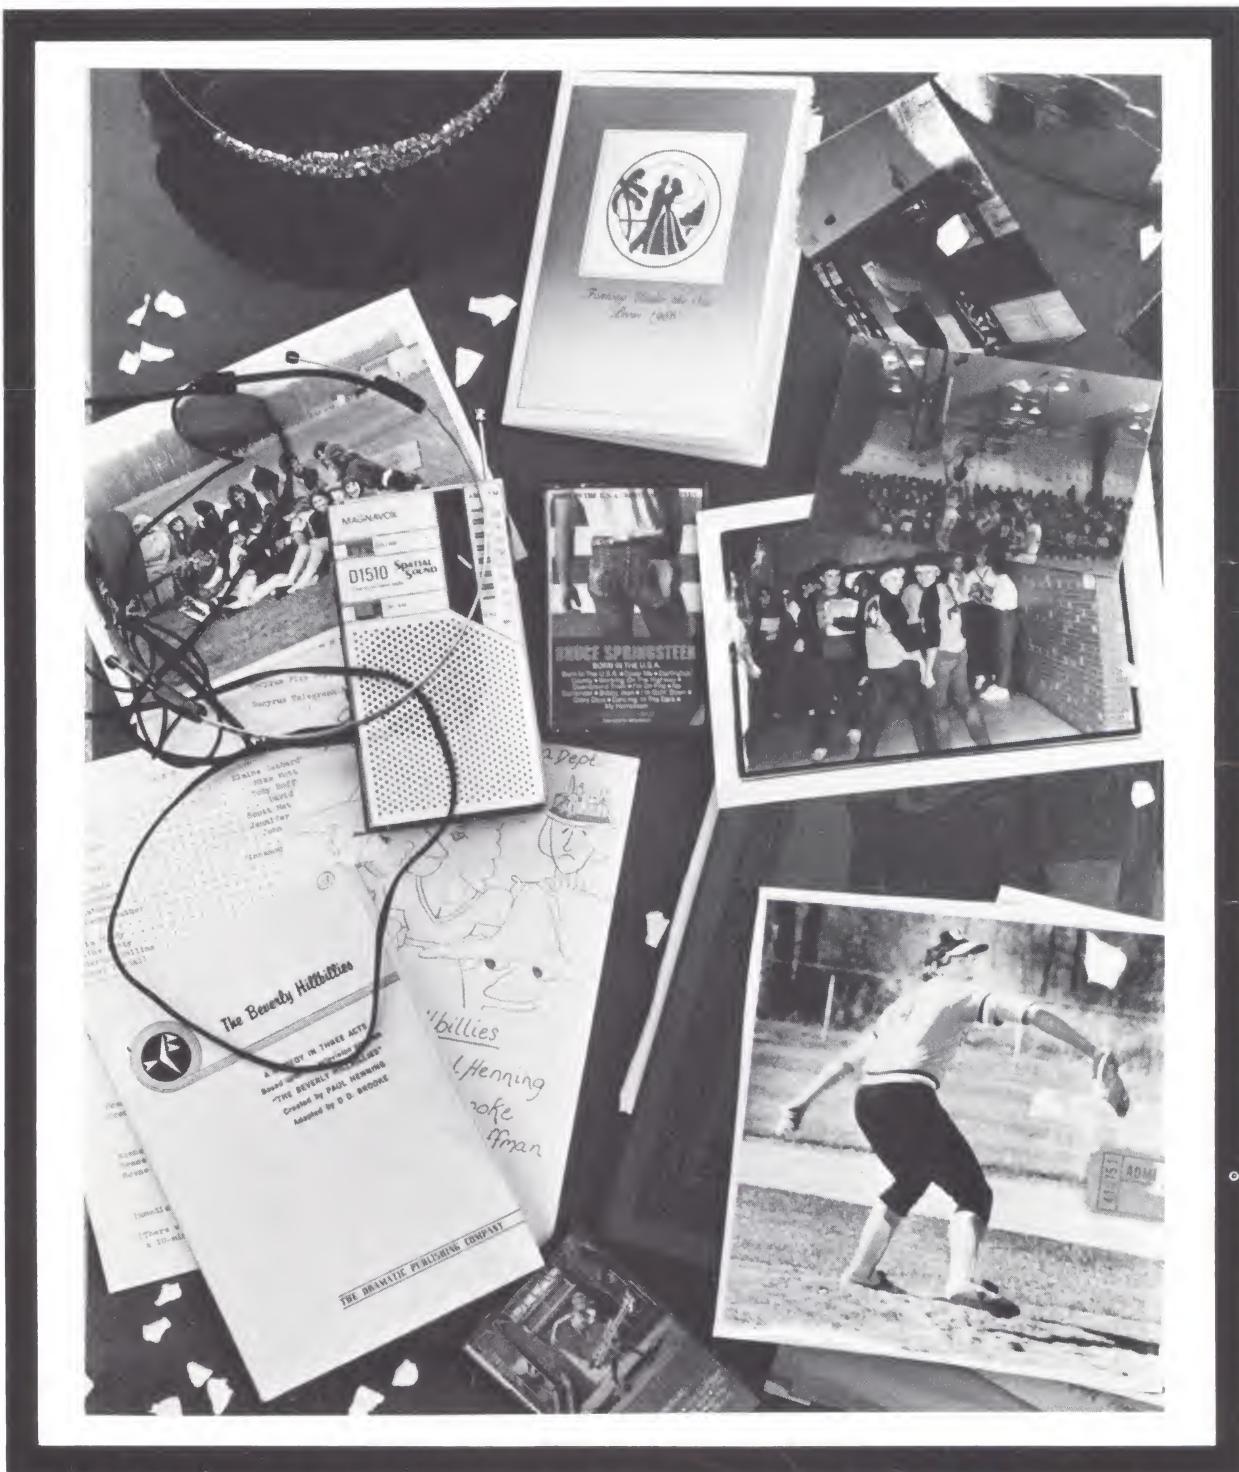

3 - Two students from Colonel Crawford took prizes in the Men's Legs Contest at the Bratwurst Festival. They were Rob Sand winning Harriest Legs and Andy Sloan winning Best Tanned Legs.

6 - A third foreign exchange student at Colonel Crawford this year is Guillermo Esparza. He is from Peru and speaks Spanish. While he has been in America he has visited both New York and Washington. He says he enjoyed both trips very much. While here, Guillermo is living with Mr. and Mrs. Arlo Lutz.

2 - This year two students from Colonel Crawford participated in the Crawford County Jr. Miss Pageant. Diane Thompson, who is a Senior, won the physical fitness, poise and appearance, and creative and performing arts awards. Diane won the title of Crawford County Jr. Miss. Amy Burger, who is also a Senior, won the scholastic achievement award.

4 - This year's representative from Colonel Crawford for Mardi Gras Queen was Kellie Robinson. Kellie placed as First Runner Up in the overall competition.

# HOMECOMING: TWO NIGHTS TO REMEMBER

The Homecoming game and crowning ceremonies took place on Friday, October 11, with Robyn Williams, 1984 Homecoming Queen, crowning Michelle Spangler, 1985 Homecoming Queen.

**QUEEN MICHELLE SPANGLER** has been active in many CC groups since her freshman year. Her activities include French Club, Future Teachers, Choir, Treasurer of the National Honor Society, captain of both varsity football and basketball cheerleading squads, lettered in track, class treasurer her Freshman year, and vice president of her sophomore, junior, and senior classes. Mickey was also chosen as Girls State alternate. She was homecoming attendant her Junior year, 1985-86 FFA Queen, and is a member of Sixteen United Methodist Church.

**SENIOR ATTENDANT CINDY BRITTON**'s activities include volleyball, cross country, basketball, and track. She has participated in state competition for both track and cross country for 2 years. She has been a boys' basketball stat and a football stat. Cindy is also a member of the National Honor Society, French Club, Choir, Sec.-Treas. of Student Council, was Colonel Crawford's Girls State representative, and is president of her Luther League at St. Paul's Lutheran Church.

**JUNIOR ATTENDANT NOELLE ASH** is busy with weightlifting, Flag Corps, French Club, and has been a candy striper. She has lettered in track and volleyball. Noelle was her sophomore class treasurer and is a member of St. John's Lutheran Church.

**SOPHOMORE ATTENDANT HEATHER WEIR** is a member of St. Paul's Methodist Church. She has been a cheerleader, lettered in track, and has been a member of the French Club.

**FRESHMAN ATTENDANT TRACI EHMANN** is a member of Good Hope Lutheran Church. She has been a cheerleader, on the track team, and is a member of the Freshman Choir. Traci is also vice president of her class and vice president of 4H.

The Homecoming court, Sophomore Heather Weir, Junior Noelle Ash, Queen Mickey Spangler, Senior Cindy Britton, and Freshman Tracy Ehmann enjoy the football game from their special vantage point.

Queen Mickey shares the Queen's dance with her escort Darin Miller.

Some members of the sophomore and junior classes take time out from the dance to relax and talk about the evening.

ABOVE: Music for the dance was provided by JBS Sound. The music was a variety of fast and slow songs both of which were danced to by many members of the student body.

LEFT: The evening began with the introduction of the Queen and her court. This was followed by the Queen's dance. Each member of the court danced with her escort for the evening. Heather Weir and Todd Martin, Cindy Britton and Lee Coffman, Noelle Ash and Darin Beach, Mickey Spangler and Darin Miller, and Traci Ehmann and Tim Flock were the honorees.

The loss of the game did not take away from the excitement of the dance, held in the gymnasium on Saturday, October 12. The evening began with the introduction of the Queen and her court and was followed by the Queen's dance. After the ceremonies, the rest of the night was given to dancing by the couples in attendance. Both evenings were organized and put together by Student Council under the direction of their advisor Mr. Kalb.

The Homecoming dance and festivities are put together and sponsored by the Student Council. The leader of this group is Mr. Kalb.

Jamie Zehring, Tina Raifsnider, Sharon Redmon, Kristy Allonas, Verl Dye, and Rob Zehring take a moment to rest from dancing and talk about the evening.

Members of the freshman class take time to take advantage of the refreshments set up in the cafeteria.

Among the many couples that attended Homecoming Dance were ABOVE: Steve Fauser and Amy Lutz; and LEFT: Brad K. and Stephanie Coder.

# FOOTBALL: A MAN'S GAME???

The members of the two Powder Puff teams are Jeni Radebaugh, Valerie Seif, Tammy Spears, Aren Rowles, Michelle King, Tina Kanable, Missy Sherman, Lori Jacobson, Mickey Spangler, Tami Ashbridge, Lynn Huber, Yvette Black, Beth McKibben, Susan Weithman, Jenny Benedict, Amy Burger, Kellie Robinson, Diane McMichael, Julie Armstrong, Missy Zellner, Cindy Flock, Shari Kocher, Sonya Sauselen, Lori Young, Mary Jo Howell, Annette Carman, Diane Thompson, Missy Coulter, and Amy Cooper.

The powder puff teams were cheered on by not only the fans and pep band, but also their cheerleaders. Male members of the Junior class—Ray West, John Ehrhart, Andy Sloan, and Mike Dill—were recruited for the task of cheering the two teams on.

The white team also engaged in extremely difficult practices with coach Principal Jim Hudson. Before practice, both teams met separately to discuss strategies and go over plays.

The lovely members of the 1985 Powder Puff Court are Todd Martin, Jay Stuckman, Tim Dennison, King Paul Elchert, Tom Rossman, and Matt Robinson.

Both teams engaged in two practices to learn everything they needed to know about football. (Ha! Ha!) The black team went over such things as blocking, hiking, and passing the ball with coach Superintendent Bill Ferrell.

After the long hours of practice it was finally game time. After 4 violent quarters the score was tied at 0-0. The game went into double overtime and ended with a 6-6 tie.

# FANTASY UNDER THE SEA

The 1986 Prom Court and their dates are Cindy Flock and John Scott, Yvette Black and Marvin James, Queen Annette Carman and Dave Ellis, Cindy Britton and Lee Coffman, and Sonya Sauselen and Keith Fullenkamp.

The 1986 Prom Queen is Annette Carman. Annette has been active at CCHS since she was a freshman. Her activities include annual staff, French Club, Choir, Winter Conditioning, Softball statistician, Track, and Volleyball.

The Junior-Senior Prom is presented by the Junior class and Miss Hoffman, French teacher at CC. Along with the help of sophomores who served and cleaned up such as Troy Shawber and Mickey Zwayer, these people made "Fantasy Under The Sea" a success.

During the Prom many students took the time to sit outside in the courtyard and cool off and relax.

The announcement of the queen and her court was made by Junior class president Julie Shealy.

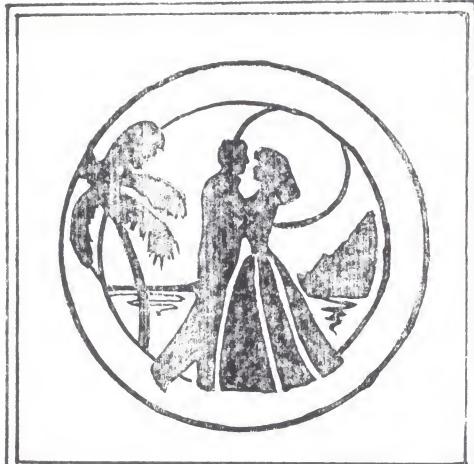

# CREATING FANTASIES

One part of decorating for the prom is drawing, painting, and hanging up the wall decorations. One junior student who expressed her artistic ability in this way is Jodi LaRue.

In charge of the prom festivities is Junior class advisor Miss Hoffman. For almost three weeks before the Prom she works to get everything organized and during the final week she, along with members of the Junior class, stay late to add the finishing touches.

*Fantasy Under the Sea  
Prom 1986*

The theme for this year's prom was "Fantasy Under the Sea". Keeping in line with this theme, Stacey Rish and Arlene DeVore, make angel fish to hang from the ceiling as part of the decor.

Probably the most painstaking part of decorating for the prom is putting up the ceiling. Two members of the Junior class who helped do this are Andy Sloan and Ray West.

Many of the junior students who attended the Prom took time out from dancing to sit and talk with each other such as Amy Crum, Randy Kidd, Lisa Flitcraft, Kim Crall, Amy Sand, and Lito Belardo.

Senior Tim Dennison took Sophomore Anissa Grove to the prom.

The crowning of the Queen and presentation of the flowers to members of the court such as Cindy Britton, was done by Junior Class Vice President Tim Bogan.

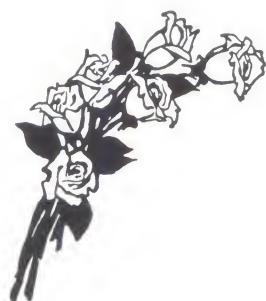

After the crowning ceremonies the Queen and members of her court danced to the song "The Greatest Love of All"

Along with students Shan Fortner and Carl Dovenbarger, faculty member Pat Sparks and her husband enjoyed the music provided by JBS Sound.

Some members of the Senior class who attended the dance alone were Julie Armstrong, Kim Bursby, and Missy Coulter. Ted Belanger attended the dance with an ex-Colonel Crawford student Michelle Brown.

1 - Everyone helped with the preparation of the spaghetti supper including those who are definitely not gourmet cooks. We won't mention John Ehrhart's name!

2 - "Greetings, I'm your friendly computer mate. For the next semester I will be your friend, enemy, and maybe your insanity!" Working her fingers to the bone, Arlene DeVore tries to finish her program while Dan Eckstein watches and studies her every move.

RECORD: 1 - 5

The season was not successful in terms of wins and losses; but team members grew in spirit and attitude—they never quit or gave up no matter what the score or situation. The team was young in experience with only 5 returning starters and key injuries to key personnel early in the season took their toll. With 21 returning lettermen next year, there is a lot to look forward to in 1986!

# GET IT TOGETHER

1 - Coaches Goldsmith, Huggins, Cauley, and Cook look intense as the defense shows its class and holds Carey scoreless in regulation time.

2 - Royals with the ball, but Eagles with a team tackle as Todd Hout (73), Tom Rossman (54), Brian Houk (37), and Tim Dennison show their Eagle determination as they make one of the eight sacks the defense made during the season.

3 - Tom Rossman (54) and Kevin Creger (74) show their quickness as they had first dibs on the tackle of the Royal player with quick pursuit from Tim Dennison (77), Tim Bogan (85), and Jim Dennison (82).

4 - Lee Coffman with 176 attempts and 723 yards rushing for the season counts on Kevin Friend for a lead block.

Kevin Friend (42) carries out his fake as Mark Robinson (11) tucks away the ball and looks up field for running room.

# RESERVES—BUILDING TOWARD

1 - Reserve players Nathan Fannin, Ryan Sparks, Mike James, Eric Sparks, Mickey Zwayer, Pat Kisor, Eric Kocher, and Jimmy Branham wait for the parade to start—the Eagles were the only football team entered in the Bratwurst parade—when Archie Griffin stopped to pose with the team and give a few words of inspiration. Having the privilege of standing by Archie are Rob Sand and Paul Elchert. Also posing were the cheerleaders Cathy McMichael, Lynn Huber, Mickey Spangler, Anissa Groves, Kellie Robinson, LeAnn Frankenfield, and Heather Weir. (Photo by Pat Moore).

2 - Steve Ritzhaupt (81) catches the first touchdown pass of the game in the third quarter against Mohawk. Steve, usually the reserve kicker, shows he's got touchdown talent, too.

3 - Steve Fauser (43) has a good shot at a touchdown after taking a handoff from Brian Seybert (10) while teammate Lito Belardo (12) opens a hole for him.

4 - Jim Dennison kicks a field goal in the 13-10 loss to Wynford early in the season. He went on to kick another field goal, 5 extra points, plus score a touchdown to account for 17 points for the season.

## 5 - FOOTBALL HONOREES:

**First Row:** Lee Coffman, Offensive Back, NCC 2nd Team Running Back; Tim Dennison, Defensive Lineman Award, Co-Most Valuable, NCC 1st Team Defensive Tackle, UPI All-State Honorable Mention Defensive Tackle; Jim Dennison, Offensive Lineman Award, Defensive Back Award, Co-Most Valuable, NCC 1st Team Offensive End and Defensive Liner-backer, UPI All-State Honorable Mention Linebacker, AP All-State Special Mention Linebacker; Tom Rossman, Gold Helmet Award.

1 - A good team tackle by CC as Chris Flohr (84) and Eric Sparks (63) get a good hit on the Mohawk players. Also having a good hit is Brian Seybert (10). Brian ended his varsity season with 13 yards rushing.

2 - CC takes time out from their game at half time as they lead and later go on to win the game against Mohawk. They ended their season 7-0 with 5 shut outs.

3 - Brian Houk (37) and Steve Fauser (43) get together on a tackle against a Carey player. Brian Houk ended his varsity season with 13 solo tackles and 53 assists for a total of 66. Steve Fauser worked his way from reserve to varsity and ended the season with 10 solo tackles and 61 assists to give him a total of 71. (Photo by Bill Metzger)

4 - Nathan Fannin (75), Eric Sparks (63), Ryan Sparks (65), Chris Flohr (84), and Brian Seybert (10) show their strength at the line as they stop the Mohawk offense. The Eagles held on three goal line stands for the 16-0 shutout.

## RESERVE RECORD 13 - 4

Eight sophomores and ten freshmen accounted for the majority of team members this year. With the reserve record of 13 - 4 and the vast amount of playing time all younger players saw this year, the Lady Eagles are looking forward to a much-improved season next year.

# TO BE VERY DISAPPOINTING

1 - The varsity team is ready for action with intense looks on their faces. Nicole Diebler, Noelle Ash, Jodi Sherman, Jenny Benedict, and Jeni Radebaugh are patiently waiting for their opponent's serve so they can show their skills.

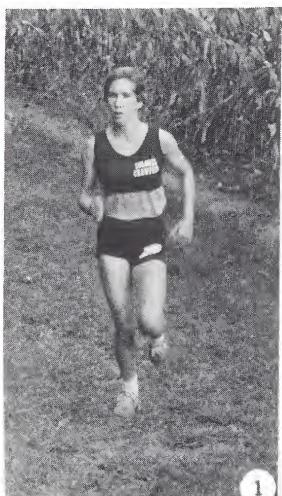

2 - Kim Spangler (19) in setting position, and Kim Clady (10) in passing position wait for a good serve from their teammate. Kim Spangler ended the season with 4 serve receptions and 19 passes while Kim Clady served 95 times, 11 of which were aces.

3 - Jody Sherman ended the season with a total of 91 sets and 3 assists for 98% efficiency. Here she is showing her setting ability against Pleasant.

# THE KEY TO SUCCESS

1 - Craig Palenshus and Bart Riedel psych themselves up before a meet. Craig won a varsity letter this year, while Bart was awarded a certificate for his efforts.

2 - Senior Troy McCallister (right) received many individual awards. He ran his fastest time of 16:15 against Lucas, setting a new school and course record. That time along with others like 16:38 at the NCC meet, 17:01 at districts, and a 7th place finish at Regionals with a 17:29, qualified Troy for 1st team All NCC honors. In the middle, Bill Hartman received 2nd team All NCC honors. His fastest time was 17:29. Marc Dowler (left) also had a good season this year finishing 2nd behind McCallister at the NCC meet. The 1985 team had experience and youth—3 returning lettermen and 8 freshmen. The fact that so many matches were played on the road made repeating as NCC champs very difficult. Beating River Valley 163-164 on their course gave the needed incentive to finish the season strong. The future is bright because the underclassmen are eager and able to continue the success of CC golf.

1 - Point guard Todd Martin brings the ball down court against a tough Buckeye Central defense. Jim Dennison (23) and John Scott (35) run their patterns trying to get open for Todd's pass. Todd holds the season assist record with 154 this year and the career assist record of 345. Todd and Jim led the Eagle scoring in this game with 15 and 13 points respectively, but the Eagles were nosed out at the finish by 1 point.

3 - Toby Coffman, the other guard, also helped the team close the season at the top. He developed a very nice long shot and totaled 183 points during the year. To indicate his aggressive play, he also snared 30 offensive and 40 defensive rebounds.

4 - Jim Dennison sinks another foul shot to help the team when it needs it. He was 58 of 91 on the year for a 63.8 average. He was named News Journal Player of the Week, District 6 Honorable Mention, All-NCC 1st Team, and he played in the NCC All Star Team.

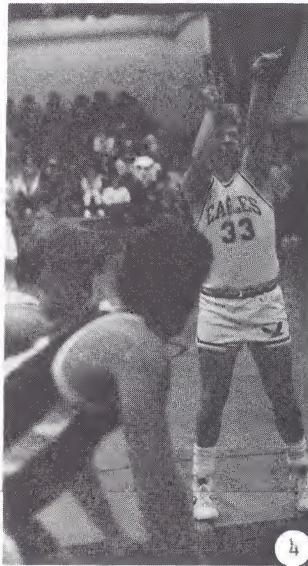

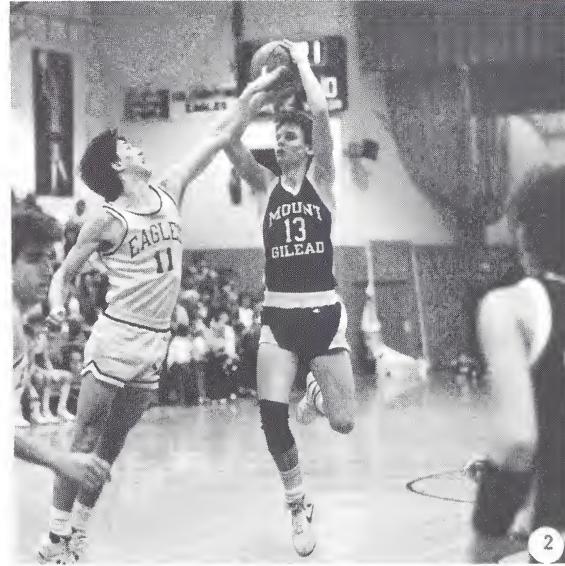

5 - Reserve Coach Steve Gray, Varsity Coach Dave Froelich, Varsity Assistant Dan Cook. This coaching staff is largely responsible for the many successes of the varsity team this year. The things that were accomplished under their leadership are: OUTRIGHT NCC Champions; Class AA Sectional Champions; UPI State Ranking 11th; AP State Ranking 20th; 17 consecutive wins; CC-BC Holiday Tournament Champions; Best NCC Record and First Outright Championship in CC history; First in NCC Team Offense, Rebounding, Field Goal Percentage, Winning Margin; Highest finish ever in News Journal Power Poll; #1 Seed in Class AA Sectional Tournament. By encouraging year-round participation in basketball, the coaches were able to bring the team field goal percentage up to 48.6%—a new school record.

1 - Karen Thompson and Lori Ashbridge seem to be enjoying this freshman basketball game. Junior Jackie Clutter makes Coach Bogan's job easier by taking stats.

2 - Mrs. Johnson's freshman English class is one of the requirements for graduation at CCHS. Eagerly awaiting the bell are Traci Ehmann, Valorie Heinlen, Barb Miller, Michele Laek, Beth Belanger, Doug West, Chuck Musselman, Marsha Evans, Rich Kincaid, and Senior Ryoko Itsutsuji.

3 - In the fall freshman popcorn sale, Matt Bisignano and Jason Geyer (not pictured) were the top salesmen, receiving \$25 each. Pictured are the drawing winners Jon Crissinger, \$75; Kim Bloomfield, \$30; Dawn Gledhill, \$25; Missy Redden, \$50; and Mike Hartman, \$20.

2 - Hard at work in completing their daily typing problems are Katie Haas, Bev Hagopian, Marsha Evans, and Michele Laek.

Channon Coulter, age 15, died suddenly on September 6, 1985. A freshman at CCHS, he had lived in the Colonel Crawford School District for most of his elementary school years. Channon was mechanically inclined; he enjoyed building things and working on cars. He liked to tell jokes and have a good time with his friends. He will be missed by all who knew him well.

## FRESHMEN SEE

Have you ever turned the corner and run into someone you thought you just saw a minute ago? Chances are, you just encountered one of the four sets of twins in our building this year. Yes that's right—4 sets of twins. The freshman class brought 2 sets of twin girls, while the sophomore and senior classes each have a set of twin boys. Even though all twins have one thing in common, they, like all of us, have certain things that are different.

The Dennison and Thompson twins are fraternal. That means that two separate eggs were fertilized and both children were born at the same time. They are just like any other brother or sister—but just happen to be born together. The Dennison boys haven't tried to fool people because in general, others don't have a difficult time telling them apart. The Thompsons, on the other hand, have been successful at fooling teachers. Jim is the older twin by 4 minutes while Janet is 3 minutes older than Karen.

Identical twins are a result of one fertilized egg splitting. The Sparks twins are identical with 5 minutes separating their birth, while the Hancock girls are mirror twins born 4 minutes apart. Eric and Lyn are the older twin. Mirror twins are opposites caused by the egg splitting at the very last minute and might result in parting hair on opposite sides, etc. Both sets have been successful at fooling teachers and hair dressers.

Some twins like being a twin because they get help with homework and have someone to talk to who thinks like they do. The biggest disadvantage is being restricted because there are two children—money and gifts were cited often. All sets reported being dressed alike by their mothers when young—none of them likes to dress alike now, though.

Twins would like others to know it isn't always fun being a twin especially when you are blamed for something your twin did. Do you want to know what it's like being a twin? Just think of a person who is EXACTLY like you who has been with you ALL your life! (Karen and Janet Thompson are seated while Ryan and Eric Sparks, Jim and Tim Dennison, and Lyn and Ann Hancock are standing.)

# BOARD + ADMINISTRATION—

## SCHOOL BOARD MEMBERS Seated

Mrs. Betty Stark, Clerk of the Board, Mrs. Ann Zaebst, President of the Board. **Standing** Mr. James Brown, Mr. Ramon Shealy, Mr. David Crum, Mr. Jack Koschnick. Mr. Brown, Mr. Crum, and Mr. Koschnick, were elected to the board in the November, 1985 election.

Superintendent WILLIAM FERRELL's favorite saying is "No way." Of course that doesn't apply to the group he admires most—all the people in the space program.

MRS. HOYLES' most memorable high school moments were the Jr.-Sr. Prom and cheering for the basketball team when they played at OSU in the Class A Basketball Tournament. She has enjoyed watching her three sons grow up here.

A-Ha! Mr. Beale, we caught you relaxing on the job! Is this how he gains his musical inspiration?

At the Choir spaghetti supper Mrs. Hoyles, Miss Stauffer, and other parents kept busy and helped the choir by working in the kitchen.

Mr. Crum, a member of the school board, takes time out from his busy schedule to help with the Choir spaghetti supper.

# GOOD BLEND OF OLD AND NEW

1 - What does MR. HUDSON do for a good time? Some of you might think he's a frustrated janitor, but really he likes to spend time with his family, work at his farm, and play basketball.

2 - One of MR. BRUNER's favorite sayings is, "Your wife, your dog, and your apple tree. The more you beat 'em the better they be." He admires farmers—the old, real ones—because they get to work with God as a partner.

3 - MRS. CAMPBELL thinks her life is pretty good just the way it is and wouldn't change anything. She enjoys downhill skiing, bowling, shopping, and herb gardening on the weekends.

4 - If MRS. RUTH had a million dollars she would donate 10% to church and charities, take her granddaughter shopping for anything she would want—clothes—NO CAR; buy a colored copier for the teachers; donate a good sum to the Athletic and Music Departments at both Colonel Crawford and Bucyrus. She wouldn't spend any on herself because she has everything she wants and needs.

We finally caught Mrs. Campbell working in her office! All through the year she sets up college visits for juniors and seniors, schedules students, computes grade point averages and class rank, completes scholarship applications, sends transcripts, determines honor roll, arranges for ACT, SAT, and other tests; coordinates college speakers and armed service recruiter visits; and counsels students in her spare time.

Mr. Hudson, Mr. Huber, Mr. Kalb, and Miss Thorne all help Mr. Althouse celebrate his 60th birthday after the gorilla brought him his birthday balloons.

# HOW CAN 42 MINUTES

1 - If MR. MARION ALTHOUSE had a million dollars, he would "Worry about someone getting it away from me . . . like the government!" He teaches Chemistry, Physics, and General Science and has been a teacher at CCHS for 25 years.

3 - If MRS. LAURIE AMICONE could change one thing in her life, it would be her age! Her favorite saying is "Gimme A Break!" And she would love to go to the Bahamas or to Monaco for vacation. She teaches Home Economics and On Your Own.

4 - For fun on the weekends MR. DAVID COCHRAN, who would like to travel to Washington D.C., watches TV, visits friends and relatives, goes to movies, and goes shopping. This is his first year of teaching Business Math, Algebra I, General Math, and Geometry at CCHS.

5 - One of MR. ELMORE BEALE's favorite hobbies is fishing. He also admires William Bell because he thinks he is a "Fantastic Tuba player!" Now in his twenty-first year at CCHS, he teaches the high school, Intermediate, and Elementary school bands.

6 - If you have a class with MR. DAN COOK, you know that "Fine!" is one of his favorite sayings. He says that if he could change one thing in his life he would have gone on to law school. In his sixth year at CCHS, he teaches Recordkeeping and Accounting.

7 - MISS JUDY BRAUSE, who likes to go camping for relaxation on the weekends, admires Bill Cosby because she says he knows the true meaning of life—"Enjoy the simple things." She has been teaching Health, Driver's Education, and Physical Education at CCHS for four years.

7

7 - MR. STEPHEN GRAY says that his most memorable high school moment was when he played football for Buckeye Central and threw a touch-down pass to beat Colonel Crawford! He teaches World Geography and is in his second year at CCHS.

5 - If you could call anyone you wanted to, who would it be? MRS. REBECCA NAPIER, who would like to know what the after life is all about, would call a relative that has died. She teaches Reading and has been at CC a total of fifteen years now.

6 - MRS. EMILY SMITH, who would like to travel to the western United States, would call President Reagan if she could make a telephone call to anyone she wanted. She has been the school Librarian at CCHS for twenty-five years.

7 - MR. BYRON PARLETTE, who likes to listen to music and visit his grandkids, would have joined the Air Force if he could change one thing in his life. He is now in his 27th year at CCHS and teaches Shop Math, Algebra II, Advanced Algebra, and Senior Math.

The birthday gorilla tried to "hit and run" but Mr. Froelich proved to be a tough customer on his special day.

# A YEAR OF CHANGES

"A year of changes." New beginnings, sad endings. 1986 meant something different to everyone. For the Senior class it meant an end to a very important stage in their lives. It means the beginning of new friendships. As they look back, the Seniors realize that a lot has changed. They've gone from the kindergarten girls with ponytails and the boy with a tooth missing pulling on the girls' ponytails, to fine young ladies and gentlemen ready to shock the world with their ideas and style. High school and the years before were great but . . . "The best is yet to come."

1 - Seniors had fun on Twin Win Day, too. Lee Coffman and Cindy Britton wear the jailbird look while Tami Ashbridge and Cindy Flock wear matching sweaters and Reneé Sobers and Amy Burger wear matching blouses.

2 - Annette Carman and Mickey Spangler sport the ever-popular concert T-shirt and the relatively new head band look.

3 - Sheryl Young, who baked the cake for the reception, looks on as Mr. Kalb performs one of the more unusual duties of a teacher when he escorts Shan Fortner down the "aisle" during the Family Living wedding.

4 - Shan Fortner and Carl Dovenbarger probably spend more time together than twins do—that's probably because they like each other!

5 - Herff Jones representative Mark Rubcich measures Joe Pauly for his cap and gown. Chances are that Kellie Robinson and Yvette Black have already been measured.
